

PADI IDC, ASSAVA, KOH TAO

Step 1 - online prep

We'll meet you online in our virtual classroom (video conference) to review the IDC curriculum presentations. 7 x 3 hour sessions around your time zone. These are fun and highly interactive online sessions!

Step 2- in-water section

Together on Koh Tao it's time to jump in the water. Over 8 days, we'll fine tune your dive skills, practice confined & open water teaching presentations, rehearse knowledge development presentations and refresh your first aid teaching skills.

Step 3 - Instructor Exams

A PADI Examiner will spend 2 days with you to evaluate your readiness to teach in the water and in the classroom. It's really just repeating what you already know in front of someone else!

IDC at ASSAVA DIVING , KOH TAO
