

PADI IDC, IN THE MALDIVES

EIGHT WEEK IDC INTERNSHIP IN THE MALDIVES.

Scuba Dive Online are excited to offer you an exclusive eight week, all-inclusive PADI IDC internship, which is hosted at the stunning Four Seasons, Laandaa Giraavaru, Maldives. If you are looking for a PADI IDC, which incorporates real teaching experience and a world class conservation programme, then you should apply to enroll in this unique internship. Experience diving with manta rays, turtles, sharks and more, whilst learning how to become a highly trained PADI instructor in paradise.

Scuba Dive Online IDC candidates attend the full PADI IDC during their eight week internship. This covers all IDC classroom curriculum workshops and the in-water sections at The four Seasons.

Before your arrival, we set up an informal “getting to know each other” online meeting, where you will meet your fellow IDC candidates, as well as Tim Hunt and the Four Seasons staff. This is a great opportunity to ask face-to-face questions about travel, schedule, what to bring etc.

PADI IDC, IN THE MALDIVES

Step 1 - PADI IDC eLearning

Prepare for your PADI IDC in advance by completing the PADI IDC eLearning. This includes quizzes and knowledge reviews. Each section is related to your classroom workshops and presentations.

Step 2- Dive Theory prep

Scuba Dive Online IDC candidates receive exclusive access to our extra dive theory study tools. These include Dive Theory presentations both live and recorded, revision notes and lots more. Plus, we will provide unlimited access to online practice exams.

Step 3 - Your Internship

Your IDC will be unlike any other! Once in The Maldives, you'll not only become a conservation minded PADI Instructor, but also learn dive centre operations, equipment and compressor maintenance, how to run dive trips, guide and more.
