 PARTY TIME!

PKT • DIVING

PADI IDC, PKT, PHI PHI

Step 1 - online prep

We'll meet you online in our virtual classroom (video conference) to review the IDC curriculum presentations. 7 x 3 hour sessions around your time zone. These are fun and highly interactive online sessions!

Step 2 - inwater section

Together on Phi Phi, it's time to jump in the water. Over 8 days, we'll fine tune your dive skills, practice confined & open water teaching presentations, rehearse knowledge development presentations and refresh your first aid teaching skills.

Step 3 - Instructor Exams

A PADI Examiner will spend 2 days with you to evaluate your readiness to teach in the water and in the classroom. It's really just repeating what you already know in front of someone else!

IDC at PKT DIVING, PHI PHI

Before attending, you will receive the new IDC digital crewpak, with 16 eLearning sections, all geared towards preparing you for in class workshops and presentations. There are also some great study tools in the crewpak, such as the Diving Knowledge Workbook. This covers all Dive Theory subjects, Physics, Physiology, Decompression Theory, Equipment and Skills and Environment. Working your way through these before attending will prepare you for the theory and workshop subjects we cover during the IDC.
