

PADI IDC, KOH LANTA

Step 1 - online prep

We'll meet you online in our virtual classroom (video conference) to review the IDC curriculum presentations. 7 x 3 hour sessions around your time zone. These are fun and highly interactive online sessions!

Step 2 - inwater section

Together on Koh Lanta it's time to jump in the water. Over 8 days, we'll fine tune your dive skills, practice confined & open water teaching presentations, rehearse knowledge development presentations and refresh your first aid teaching skills.

Step 3 - Instructor Exams

A PADI Examiner will spend 2 days with you to evaluate your readiness to teach in the water and in the classroom. It's really just repeating what you already know in front of someone else!
