

PADI®

PADI IDC, ROATAN

Step 1 - online prep

We will meet you online in our ISC LIVE virtual classroom to review the IDC curriculum presentations. 7 x 3 hour sessions. These are fun and highly interactive online sessions!

Step 2- in-water section

Together in Roatan it's time to jump in the water. Over 8 days, we will fine tune your dive skills, practice confined & open water teaching presentations, rehearse knowledge development presentations and refresh your first aid teaching skills.

Step 3 - Instuctor Exams

A PADI Examiner will spend 2 days with you to evaluate your readiness to teach in the water and in the classroom. It's really just repeating what you already know in front of someone else!

IDC at Roatan Divers, Roatan, Honduras

Based in Roatan, framed by warm Caribbean seas and thriving coral reefs, this programme lets you train in a calm, island setting built for professional dive development. In addition, you may take part in conservation initiatives, including coral restoration projects.

Before attending, you will receive the new IDC digital crewpak, with 16 eLearning sections, designed to prepare you for in class workshops and presentations. The crewpak includes study tools such as the Diving Knowledge Workbook, covering Dive Theory, Physics, Physiology, Decompression Theory, Equipment, Skills and Environment.
