

# PADI IDC, DOMINICAN REPUBLIC

## Step 1 - online prep

We will meet you online in our virtual classroom to review the IDC curriculum presentations. 8 x 3 hour sessions around your time zone. These are fun and highly interactive online sessions!

## Step 2 - inwater section

Together in the Dominican Republic it's time to jump in the water. Over 10 days, we will fine tune your dive skills, practice confined & open water teaching presentations, rehearse knowledge development presentations and refresh your first aid teaching skills.

## Step 3 - Instructor Exams

A PADI Examiner will spend 2 days with you to evaluate your readiness to teach in the water and in the classroom. It's really just repeating what you already know in front of someone else!

## IDC at REEF OASIS DIVE CLUB, DOMINICAN REPUBLIC

Before attending, you will receive the new IDC digital crewpak, with 16 eLearning sections, all geared towards preparing you for in class workshops and presentations. There are also some great study tools in the crewpak, such as the Diving Knowledge Workbook. This covers all Dive Theory subjects, Physics, Physiology, Decompression Theory, Equipment and Skills and Environment. Working your way through these before attending will prepare you for the theory and workshop subjects we cover during the IDC.
