

MALDIVES

7-WEEK PADI IDC

& MARINE CONSERVATION PROGRAMME

There are PADI IDCs, and then there is the opportunity to train at Four Seasons Landaa Giraavaru in the Maldives.

The Scuba Dive Online PADI IDC and Conservation Programme combines becoming a PADI Instructor with marine conservation, team teaching and experience within a working resort dive operation.

This all inclusive 7 week programme includes the PADI IDC, conservation projects and optional PADI Instructor Specialties, with an additional free optional week for further team teaching and conservation experience.

US \$5,100

This 7 week programme will give you the skills, experience and confidence to become a sought after PADI Instructor while gaining marine conservation experience and working in one of the most beautiful places on earth.

APPLICATIONS ARE BY
CV AND ONLINE
INTERVIEW.

Interested candidates should email info@scubadiveonline.com with your current diving CV and cover letter.

WHO IS THIS PROGRAMME FOR?

This programme is suitable for qualified Divemasters who are passionate about teaching, professional development and marine conservation.

You must be a PADI Divemaster, or hold an equivalent rating, and have 100 logged dives before the programme starts.

ABOUT THE EXPERIENCE

You will train, dive and live at the Four Seasons, and will be guided by some of the most experienced award winning [PADI Course Directors in the world](#)

Expect a focused, supportive and inspiring environment where you will build expert skills and confidence..

NEXT STEPS

Applications are accepted throughout the year. As places are limited by resort availability, all participants are asked to complete an online interview with a [Scuba Dive Online Platinum PADI Course Director](#).

Get your CV ready and email info@scubadiveonline.com to start the process.

THIS IS YOUR NEXT CHAPTER.
WE LOOK FORWARD TO HEARING FROM
YOU.

Seven weeks that take you from IDC candidate to PADI Instructor, with much more along the way.
Learn. Teach. Conserve.
